

Supreme TTF

PRODUCT INFORMATION SHEET GLOVE MODEL : 103WG

Description : 103WG is a five-finger White Nylon or Polyester knitted liner glove with a Black Nitrile coating on the palm and on the finger tips. The back of the glove remains uncoated providing good ventilation to the hand thus avoiding perspiration and clamminess. This glove fits like a second skin, molding to the operators hand and is very popular in the automobile industry and is also used for delicate engineering operations.
