Product information

This shorter length jacket sits comfortably on the hips to give excellent ease of movement whilst retaining heat and keeping wind and rain out. The internal zip secure pockets and large lower storage pockets allow gloves and hoods to be stored securely when not in use.

PWR Rainwear™

The PORTWEST PWR™ collection is constructed from Portwest Extreme, a premium high performance waterproof and breathable fabric. Using state-of-the-art technology, the base fabric has been engineered to provide a technical barrier against the elements. This provides the maximum waterproof, breathable and windproof protection, which far exceed the current highest requirements.

Rainwear

The following Rainwear collections offer an outstanding choice of designs and colours, suitable for many end users. The best quality fabrics and high technology construction techniques are used throughout, guaranteeing the ultimate in all-weather protection. Tested to withstand the rigours of everyday wear, each garment has been designed and manufactured with care to ensure total satisfaction wear after wear.
